OUR CUSTOMISATION SERVICES: YOUR BRAND HERE?

Our equipment rental solutions are designed to give your chilled/frozen products the best possible platform at your event or exhibition.

To ensure your brand makes an even bigger impact on the show floor, however, we offer all our customers a full suite of customisation services – and the benefits that this delivers!

- Fully integrate your rental equipment into the design of your show floor stand/booth
- Enhance your brand's presence, making a lasting impression on potential customers
- Increase sales: products are **FOUR TIMES** more likely to sell from a branded setting

With the support of our in-house design team, we can apply your brand image to our rental fleet as part of your bespoke event equipment solution. And not just for events either.

For food/drink producers planning an in-store retail promotion or marketing campaign, we'll work in partnership with you to roll-out branded refrigeration to wherever you need it.

We've successfully supplied promo fridge hire solutions to clients large and small; helping to boost brand exposure, increase impulse sales and maximise return on investment.

PROMO FRIDGE RENTAL SERVICES
