

The Fri-jado Space Saver is a prime example of effective use of floor space. By combining a TDR5 rotisserie and a MDS2 self-serve grab-and-go merchandiser, you save valuable floor space. The rotisserie's appetising chicken theatre will wet the appetite of any customer. The fact that customers can take the products from the MDS2 self-serve themselves will lower buyer thresholds even more. Double output on a single spot. Success guaranteed!

Key Features of The Fri-jado Space Saver

- Combination of MDS 86 2-level self-serve heated merchandiser and 5-spit rotisserie.
- Preparation and presentation on one spot.
- Saves valuable floor space.
- Smart design ideal for small store formats.
- Appetizing chicken theatre.
- 86 cm wide - 2 level heated merchandiser stacked below a rotisserie.
- Product temperature maintained at 65-70°C.
- Safety lighting on each level.
- Shatter-resistant clear side glass for optimum safety and insulation.
- Saves up to 20% on energy by air-curtain technology on each shelf.
- Safe holding temperature for up to four hours.
- Illuminated changeable sign and price strips on each shelf.
- Front bumper to protect from shopping carts.
- Rear doors as standard (pass through operation).
